THIS MALE/FEMALE YORKSHIRE TERRIER PUPPY IS BEING SOLD

TO _____ ON _____

A.K.C. REGISTRATION# _____ MICROCHIP# _____

PARENTS: _____ AND _____

- 1) This puppy has been vet checked, and appears in perfect health.
- 2) This puppy is guaranteed for the first year of life against congenital abnormalities such as hip dysplasia, hip perthes, and high grade luxating patella.
- 3) This puppy is guaranteed for its first year of life against life threatening abnormalities such as liver shunt or defective heart. If this puppy develops such an abnormality within the first year of life, the breeder will offer a replacement or refund, up to the purchase price of the puppy (and the buyer may keep the puppy).
- 4) Breeder will not be responsible for medical treatment to cure such abnormalities. The vet who finds such abnormalities will be required to confirm the puppy's microchip number (if applicable) and to write a description of the abnormalities on his or her formal business letterhead, and to be available if needed to discuss the issues with the Breeder's vet.
- 5) This certifies that the new owner has been warned about the possibilities of Hypoglycemia. Death or injury cause by hypoglycemia will be the sole responsibility of the new owner.
- 6) Injuries that occur after ownership is transferred are the sole responsibility of the new owner. Any required treatment related to an injury will be the responsibility of the new owner.
- 7) All guarantees will be considered null and void on female puppies if they are ever bred.
- 8) This certifies that the new owner understands that there is no guarantee on adult weights or eventual size.
- 9) This certifies that if the new owner is no longer able to care for the puppy **at any time in the puppy's life**, the new owner agrees to contact the Breeder for first option to take the puppy back or to assist in finding the puppy a new home. There will be no transfer of ownership without the consent of the Breeder.
- 10) This guarantee applies to the original owner only and is not transferable.
